

Please Remember Me

Rodney Crowell

When all our tears have reached the sea
A part of you will live in me
Way down inside my heart
Days keep coming without fail
A new wind's gonna find your sail
That's where your journeys start

You'll find better love
Strong as it ever was
Deep as a river runs
Warm as the morning sun
But please remember me

Just like the waves down by the shore
We're gonna keep on coming back for more
'Cause we don't ever want to stop
Out in this brave new world you seek
Oh, the valleys and the peaks
I can see you on the top

You'll find better love
Strong as it ever was
Deep as a river runs
Warm as the morning sun
But please remember me

Remember me, when you're out walking
When snow falls high outside your door
Late at night, when you're not sleeping
And moonlight falls across your floor
When I can't hurt you anymore

You'll find better love
Strong as it ever was
Deep as the river runs
Warm as the morning sun
But please remember me
