

'til I Gain Control Again

Rodney Crowell

Just like the sun over the mountaintop
You know I'll always come again
You know I love to spend my morningtime
Like sunlight dancing on your skin
I've never gone so wrong
As for telling lies to you
What you see is what I've been
There is nothing I could hide from you
You see me better than I can
Out on the road that lies before me now
There are some turns where I will spin
I only hope that you can hold me now
'Til I can gain control again
And like a lighthouse
You must stand alone
Landmark the sailor's journey's end
No matter what sea
I've been sailing on
I'll always pass this way again
Out on the road that lies before me now
There are some turns where I will spin
I only hope that you can hold me now
Til I can gain control again
