

You Been on My Mind

Rodney Crowell

Guess its time for me to say just how it is that I feel today
Today is just like any other day cause youve been on my mind
It really hasnt been that long but its funny where the time has
flown

Old memories just keep holding on and you been on my mind

You been on my mind sometimes
I think I must be going blind
Ive seen a world baby without you
But I dont see myself there too

Hardly does a day go by when I dont see your clear blue eyes
Many night I just wonder why and you been on my mind
Youve been on my mind so long
Ive been thinking that something was wrong
Ive told myself I should forget
But I dont seem to have it yet
I dont dream that you might change I dont think that Im acting
strange
I tell myself its all in vain and you been on my mind

Youve been on my mind Ive said
Till its all thats in my head
Yes I know what I must do
But I dont think youll be there too

Guess its time for me to go but as it is Ill never know
Just what it is that I long for so and you been on my mind
