

Love Is So Sweet

Roger Creager

Roger Creager

I've been around the world a long time, Mister
And I've got a thing or two to say
I won't try to bore you with a tough tongue twister
You wouldn't buy that anyway

Love is so sweet
It makes you bounce when you walk down the street

You've been to school, you say you are a lawyer
You walked out of a magazine
I've been a drifter and a low-life loser
You could learn a lot from me

Hey I - I've gotta say
I have looked at life a whole n'other way
Love is so sweet
It makes you bounce when you walk down the street

One thing in common is we all are different
And we're supposed to be that way
Live and let live is such a good reminder
You'd do well to be that way

Hey I - I've gotta say
I have looked at life a whole n'other way
Love is so sweet
It makes you bounce when you walk down the street
Hey - I said love is so sweet
It makes you bounce when you walk down the street
Hey - I said love is so sweet
It makes you bounce when you walk down the street
