

# The Man I Used To Be

Roger Creager

I don't know if you have heard  
But someones out there spreading the word  
I'm still mad at you  
And they'll find that's true

I broke out in laughter  
When your plans for ever after  
Busted at the seams  
And blew your hopes & dreams

Chorus

You got what you deserved  
Can you say justice served  
You left me with a broken heart  
Girl now yours is torn apart

Don't come running back to me cause  
I'm not the man I used to be  
You want that man I used to be  
You're beautiful when your crying

It's a shame that you're dieing  
From the pain you feel  
Oh it sure sounds real  
I've been out here running this town

I'm not sure why you tracked me down  
But you're on your own  
When I get off this phone

Chorus

Isn't this the way  
You treated me when I needed you  
You left me broken crying  
Bleeding too, needing you  
Now you're the one left all alone...

Chorus (twice)
