

## Free Me

Roger Daltrey

Free me  
Cant you hear that's what I say  
Free me  
Anyhow or anyway.

I hear a voice  
Call in the night  
Push on the brain  
Fades with the light  
And I've seen a face  
With so many eyes  
Out in the words  
Know there lies  
Can't you hear me say  
Can't you hear me say  
Can't you hear me say.

Free me  
Free me  
Inside I'm bleeding can't you see  
Free me  
From all this pain and misery.

I am a flame  
But he held the fire  
Call me a fool don't call me a liar  
Take me to hell  
And let me stay  
Can't you hear me say  
Can't you hear me say  
Can't you hear me say.

Free me  
  
I lie awake burning inside  
No where to run and no where to hide  
Old lady time  
She's no friend to me  
I feel her change  
And she holds the key  
Can't you hear me say  
Can't you hear me say  
Can't you hear me say.

Free me  
Free me  
Cant you hear that's what I say  
Free me  
Anyhow or anyway.
