

One Day

Roger Daltrey

One day, you'll be on your own
You won't have a shout any more
One day, you'll be in the ground
You're over and out, and
You've missed the last tube home

One day, you'll be on your own
You won't have a shout any more
One day, you'll be in the ground
You're over and out, and
You've missed the last tube home

Woke up this morning, heard someone snoring
Knob heads going on about modern life is boring
Bears have their own music, no-one can prove it
Just like I'm a guy of guys
You think I'm gonna move it

One day, you'll be on your own
You won't have a shout any more
One day, you'll be in the ground
You're over and out, and
You've missed the last tube home

Sum up together, nobody's the wiser
It's life in the sunshine, that's what I would advise her

One day, you'll be on your own
You won't have a shout any more
One day, you'll be in the ground
You're over and out, and
You've missed the last tube home

One day, you'll be on your own
You won't have a shout any more
One day, you'll be in the ground
You're over and out, and
You've missed the last tube home

Wooooooo!
Yeesh-haa!

One day, you'll be on your own
You won't have a shout any more
One day, you'll be in the ground
You're over and out, and
You've missed the last tube home
