

# Hungry

Roger Hodgson

This morning when I woke up  
I fixed myself a drink  
I was feeling kind of broke up  
my mind was on the blink  
I couldn't see a future  
can't seem to hold a job  
I feel I'm just a loser  
oh when's it gonna stop

I said Baby  
say you'll always get to hold me  
Say we'll never go hungry  
never run out of money  
You say we'll just have to hold on  
maybe life is just a put on  
Won't you come and just hold me  
say I'll never get lonely

Some mornings when I wake up  
I just don't know who I am'  
If I look behind the make-up  
I see a troubled man  
I wander in the darkness  
just talking to the walls  
Seems life has turned against me  
who'll catch me if I fall

I said Baby  
say you'll always want to hold me  
Say we'll never go hungry  
never run out of money  
Give me something to hold on  
tell me life is just a put on  
Won't you come and just hold me  
Say I'll never get lonely

I said Baby  
say you'll always want to hold me  
Say we'll never go hungry  
never run out of money  
Give me something to hold on  
tell me life is just a put on  
Won't you come and just hold me  
say I'll never get lonely
