

# Land Ho

Roger Hodgson

Please don't turn me away  
please don't leave me alone  
Oh I'm not asking for paradise  
I just got to find me a home

I said land-ho, will I be sailing forever  
Oh-oh I gotta find some shelter from the cold  
Land-ho, will I be searching forever  
Oh-oh I gotta find an anchor for my soul

Well you may think I'm a fool  
and think I'm running away  
But I've had enough of the city lights  
oh I've got no reason to stay

I said land-ho, will I be sailing forever  
Oh-oh I need some wind to help me to my goal  
Land-ho, will I be searching forever  
Oh-oh, I gotta find an anchor for my soul

When you're alone there's not a sail in sight  
Oh it's cold and dark  
and there's no one there to see you through the night  
There once was a lady made me feel alright  
But she couldn't stay so one lonely day  
she just sailed away  
And took away my life

Maybe I'll always be sad  
and maybe there'll always be strife  
Drifting alone with a saddened tone  
afloat on the ocean of life

I said land-ho, will I be sailing forever  
Oh-oh sometimes I feel my ship is getting old  
Land-ho, will I be dreaming forever  
Oh-oh I gotta find an anchor for my soul

Will I be sailing forever...
