

# Time Waits for No One

**Roger Hodgson**

Time waits for no one  
Old as the sun  
Lying here beside you  
Life's just begun  
Time stays for no one  
Old once was young  
Life's grand illusion  
Two hearts make one  
Time waits for no one  
Old as the sun  
Lying here beside you  
Life's just begun
