

## M' Linda

Roger McGuinn

I la la love M'Linda  
She's my kind of girl  
I la la love M'Linda  
Tell it to the world

M'Linda I see you walkin'  
On a Sunday afternoon  
M'Linda in her white dress  
As she comes into the room

I la la love M'Linda  
She's my kind of girl  
I la la love M'Linda  
Tell it to the world

M'Linda look out the window  
The moon is in the sky  
M'Linda's eyes are sleepin'  
While the world is passin' by

I la la love M'Linda  
She's my kind of girl  
I la la love M'Linda  
Tell it to the world
