

# The Time Has Come

Roger McGuinn

You know, babe  
Since you took your love away  
My heart's been stallin'  
Kick the wall in  
Night and day

Yeah, I've been sad  
I've been down  
I've been so to blame

Baby, how was I to know  
I burned our bridges down  
I know the time has come  
To turn it back around

The time has come  
For pickin' up the pieces  
The time has come  
Hold on tight  
Baby, don't you know  
The time has come

You are my eyes  
And the vision in my life  
You give me strength  
You're the edge on my knife

Yeah, I was tired  
I was torn  
I was so insane

Baby, how was I to know  
I burned our bridges down  
I know the time has come  
To turn it back around

The time has come to talk for hours  
Underneath the silver skies  
Baby, love me 'til  
The early mornin' light

Yeah, I was tired  
I was torn  
I was so insane

Baby, how was I to know  
I burned our bridges down  
I know the time has come  
To turn it back around
