

We Can Do It All Over Again

Roger McGuinn

Just look at you
What I put you through
Makin' my moves
Travelin' in a band
Rock'n Roll years
Laughter and tears
You were sharin' my fears
On the lonely one night stands
Would you

Learnin' to fly
Just gettin' by
Girl, you and I
More than friends
Stories we told
Dreams that we sold
Searchin' for gold
At the rainbows end
Would you

You and me
Sweet memories
Love at its best
Girl, we put it through the test
Do you believe
We can do it all over again
Would you
