

You Showed Me

Roger McGuinn

You showed me how to do exactly what you do
How I fell in love with you oh oh it's true
I'm in love with you
You showed how to say exactly what you say
In that very special way oh oh it's true
You fell for me too
And when I tried it I could see you fall
And I've decided it's not a trick at all
You taught it to me too exactly what you do
And now you love me too oh oh it's true
You fell for me too
And when I tried it I could see you fall
And I've decided it's not a trick at all
You taught it to me too exactly what you do
And now you love me too oh oh it's true
We're in love we too we too
