

Arkansas

Roger Miller

I ain't never traveled much but someday when the money's such
I'd like to see the world and all and maybe go through Arkansas
Arkansas Arkansas I just love ole Arkansas
Love my ma love my pa but I just love ole Arkansas
I'd like to get my picture took put it inside my memory book
And someday hang it on my wall to say that I'd seen Arkansas
Arkansas Arkansas...
My Grandpa was always good I'd play horsey on his foot
He'd tell me when I'd get tall we'd both go see Arkansas
Arkansas Arkansas...
Arkansas Arkansas...
I just love ole Arkansas
