

Disco Man

Roger Miller

Disco man dressed in white
Ladies on the left and ladies on the right
Drives a T-bar top car all around the town
Disco man sure gets around

Disco man you'll go far
Take all the pretty girls and ride 'em in your car
Take 'em uptown downtown all around the square
Disco man goes everywhere

Disco man he's so bad
What he ain't got he has had
With a T-bar top car never far away
Disco man goes all the way

Disco man dressed to the nines
Talking to the pretty girls a line at a time
Stepping up to the rhythm of the music of the band
Ishco moogalo disco man

Disco man he's so free
He's my hero yesiree
Drives a T-bar top car all around the town
Disco man sure gets around

Disco man he's so bad
What he ain't got he has had
With a T-bar top car never far away
Disco man goes all the way

Disco man he's so free
He's my hero yesiree
Drives a T-bar top car all around the town
Disco man sure gets around

Disco man he's so bad
What he ain't got he has had
With a T-bar top car never far away
Disco man goes all the way
