

If I Ever Fall In Love

Roger Miller

You do little things to me
That nobody else can do
If I ever fall in love
I'm gonna fall in love with you

You take and turn my head around
You take my don'ts and make them do
If I ever fall in love
I'm gonna fall in love with you

Woman woman woman woman
Man oh man oh man oh man
Swore I'd never fall in love again
And I'm doing the best I can
You do little things to me
My ups and downs are up to you
If I ever fall in love
I'm gonna fall in love with you

Woman woman woman woman
Man oh man oh man oh man
Swore I'd never fall in love again
And I'm doing the best I can
You do little things to me
My ups and downs are up to you
If I ever fall in love
I'm gonna fall in love with you
If I ever fall in love
I'm gonna fall in love with you
