

Lock, Stock, And Teardrops

Roger Miller

Someday, I won't come runnin'
When you call
The way you hurt me
It's a wonder, I'm still here at all

Someday, you'll wake up
And you'll find yourself alone

Lock, stock and teardrops
I'll be gone, I can't go on

The way you make me feel
You make me cry
And every time
Expect me to forgive

Someday, you'll wake up
To a cold and lonely dawn

Lock, stock and teardrops
I'll be gone

Oh someday, I'll wake up
Find my strength to carry on

And lock, stock and teardrops
I'll be gone

Lock, stock and teardrops
Lock, stock and teardrops
Lock, stock and teardrops
I'll be gone
