

# Love Is Not For Me

Roger Miller

I like the women, I like to hold them tight  
Kiss em squeeze em, tease em that's alright  
But Ill never marry no sir-eee  
I'm for love but love is not for me

Now I like to romp n stomp n cut up loud  
And pick out the pretty faces in the crowd  
But Ill never marry no sir-eee  
I'm for love but love is not for me

I'm having too much fun  
Doing like I'm done  
Living on the run  
Playing the field  
And trying to stay away from any permanent type of deal

Yeah, I like the women, I like to hold them tight  
Kiss em squeeze em, tease em that's alright  
But Ill never marry no sir-eee  
I'm for love but love is not for me

I'm having too much fun  
Doing like I'm done  
Living on the run  
Playing the field  
And trying to stay away from any permanent type of deal

I like the women, I like to hold them tight  
Kiss em squeeze em, tease em that's alright  
But Ill never marry no sir-eee  
I'm for love but love is not for me
