

Playboy

Roger Miller

Well they call me a playboy
While I'm makin' my rounds
Chasing the bright lights
Of every night spot in town
Tho' I never show it
My hearts breaking in two
Yes they call me a playboy
But I'm just lonesome for you
I once had a real love
That was when I had you
But I'll never feel love
With somebody new
This false pride I'm wearing
Is to cover my blues
They call me a playboy
But I'm just lonesome for you
(Repeat)
