## **Please Release Me**

**Roger Miller** 

Please release me, let me go I don't love you anymore To live together is a sin Release me and let me love again

I have found a new love, dear And I'll always want her near Her lips are warm while yours are cold Release me, my darling, let me go

Please release me, let me go I don't love you anymore To live together is a sin Release me and let me love again

Release me and let me love again
