

River In The Rain

Roger Miller

River in the rain sometimes at night you look like a long white
train
Winding your way away somewhere river I love you don't you care
If you're on the run winding some place just tryin' to find the
sun
Whether the sunshine whether the rain river I love you just the
same
But sometimes in a time of trouble
When you're out of hand and your muddy bubbles roll across my f
loor
Carryin' away the things I treasure hell there ain't ain't no w
ay to measure
Why I love you more than I did the day before
River in the rain sometimes at night you look like a long white
train
Winding your way away from me river I've never seen the sea

But sometimes in a time of trouble
