

Roll Away

Roger Miller

Roll away, roll away
A great weight, like a great stone
has rolled away

Roll away, roll away
A great weight, like a great stone
has rolled away

What a day, what a day
A great weight, like a great stone
has rolled away

Roll away, roll away
A great weight, like a great stone
has rolled away

Peace of mind, peace of mind
A great weight, like a great stone
has rolled away

Roll away, roll away
A great weight, like a great stone
has rolled away

Roll away, roll away
A great weight, like a great stone
has rolled away
