

## Stephen Foster

Roger Miller

Well I was riding to the city  
and my horse broke down, do-dah, do-dah  
Blacksmith lived on the other side of town  
Oh do-dah day

Well I'm gwan to run all night  
Yes I'm gwan to run all day  
I think Stephen Foster was ahead of his time  
That's all I've got to say

Well a nickel is a nickel  
and a dime is a dime, do-dah, do-dah  
You can't make a dollar sittin' down all the time  
Oh do-dah day

Well I'm gwan to run all night  
Yes I'm gwan to run all day  
I think Stephen Foster was ahead of his time  
That's all I've got to say

Well I got to the city  
and I went downtown, do-dah, do-dah  
Cotton went up and it all came down  
Oh do-dah day

Well I'm gwan to run all night  
Yes I'm gwan to run all day  
I think Stephen Foster was ahead of his time  
That's all I've got to say

I got a room full of people  
and a handful of friends, do-dah, do-dah  
That's how it goes and that's how it ends  
Oh do-dah day

Well I'm gwan to run all night  
Yes I'm gwan to run all day  
I think Stephen Foster was ahead of his time  
That's all I've got to say
