

## Trouble On The Turnpike

**Roger Miller**

Well it wasn't long ago that my true blue Sally  
Said she's gettin' tired of livin' in the valley  
Went to go back to Louisian' see Big Papa he's a gumbo man  
Trouble on the turnpkine trouble on the road  
Trouble on the turnpike too big a load  
Yeah ha-hoopa-do-ee goodbye valley for my Sally and me

Well to keep Sally happy I'll do what I can  
To keep her that way takes a whole lot of man  
A Louisiana woman is tired of California ain't enough gumbo her  
e for me  
Trouble on the turnpkine...
