

# Don't Tell Me It's Over

Roger Sanchez

Here we are now  
Dinner by candlelight  
And I'm trying hard not to cry  
I guess I should leave now  
We've said all we have to say  
But I don't know how to say goodbye  
Don't tell me it's over  
I'm not strong enough  
To let go of love  
Don't tell me it's over  
Just pretend for a while  
That you're still in love with me  
I reach out to touch you  
Baby, please don't pull away  
You don't know how it hurts inside  
Just let me hold on to  
What we had for one more night  
Just for one moment,  
I wanna believe that  
You'll always be mine  
I know you can't bear to see me cry  
So I promise you, I'm gonna keep it all inside  
I just wanna hold you  
Wanna look into your eyes  
One more time  
Before I let you go  
Don't tell me it's over  
I'm not strong enough  
To let go of love  
Don't tell me it's over  
Don't tell me it's over  
I'm not strong enough  
To let go of love  
Don't tell me it's over  
Just pretend for a while  
That you're still in love with me
