

Hot 4 U

Roger Sanchez

Baby
You got to me
I never felt this way before
You make me wanna try
Every fantasy
And every freaky thought
I'd like to explore
You give me chills
Up and down, up and down my spine
Boy, you know you're
Gonna drive me right out of my mind
Don't you wanna touch my body
Like I wanna touch your body
Chorus:
You know I'll make it HOT 4 U
What you gonna
I'm gonna undress you
Make my fantasies come true
Before tonight is through
I'll be a slave for you
I'll make it HOT 4 U
Whatcha gonna do
I'm gonna make it HOT 4 U
So HOT 4 U
Before tonight is through
I'll make it HOT 4 U
I'm so HOT 4 U
I'm gonna undress you
I'll be a slave for you
I'm gonna make it HOT 4 U
You keep me up
When it's late at night
Spending hours on the telephone
Conversation is sensational
But that's not enough
I can't wait to get you all alone
I feel chills
Up and down, up and down my spine
Anticipation's
Gonna drive me right out of my mind
Don't you wanna touch my body
Like I wanna touch your body
Chorus
