

# Not Enough

Roger Sanchez

I found an old love letter you wrote to me  
It seems so long ago.  
All the things you said, they were so sweet,  
Just like poetry.

I thought that everything was right,  
And we were doing fine.  
(till I looked into your eyes)  
Now its plain to see you that you dont love me,  
(was it all just in my mind)

I gave you my love  
Gave you my trust (all my trust)  
But my all was not enough  
Gave you my heart  
Right from the start (right from the start)  
I guess my all was not enough

Now everytime I hear our song on the radio  
It brings me back to you.  
No matter where I go, it always reminds me  
Of the things we used to do

You told me everything was fine,  
We would be alright.  
(till I looked into your eyes)  
Now its plain to see you never loved me,  
(it was all just in my mind)

I gave you my love  
Gave you my trust (all my trust)  
But my all was not enough  
Gave you my heart  
Right from the start (right from the start)  
I guess my all was not enough  
I gave you my love  
And my trust (all my trust)  
But my all was not enough  
I gave you my heart  
Right from the start( right from the start)  
I guess my all was not enough

I tried so hard...(I tried so hard)  
And you let me believe...(you just let me believe)  
That I had your heart.(that I had your heart)  
It was all just a dream...(it was all just a dream)  
Was it only a dream (was it only a dream)  
That you let me believe (u just let me believe)  
It was all just a dream (it was all just a dream)  
And you let me believe (you just let me believe)
