

# Take A Chance

Roger Sanchez

Ayyyyyy mi vida

Intro:

I've been watching you...

From all the way across the room...

I see the way you're looking at me

And I was wondering..

Are u gonna come over here..

And take...a chance...

Chorus:

Why're you standin' over there, boy

Come and Take A Chance

Hear the music that is playing

It's got me in a trance

See the way my hips are swaying

Come and join the dance

So, I don't just stand over there, boy

Come and Take A Chance

Vers:

Tonight

I'm gonna be the one that makes the first move

Cause you've been too shy

And, baby, I don't have no time to lose

Can you feel my eyes on you

Does my body turn you on

Just like I want it to

Can you feel that sexy rhythm

Takin' over you

Just let yourself go

Let me take control

Chorus

Come closer, boy

I wanna whisper something in your ear

It's just for you

I don't want nobody else to hear

I can feel your eyes on me

And right up on my body

Is where you wanna be

I can feel that sexy rhythm

Taking over me

I'll let myself go

And let you take control

Chorus
