

## Be with You

Roger Taylor

I, I just wanna be with you  
I just wanna have you here  
Be with you

I, I just wanna dance with you  
Take a chance with you  
Dance with you

I, I just want to talk with you  
Just wanna walk with you  
Talk with you

Ahhhh  
Ahhhh  
Ahhhh

I, just need to get you into my life  
I just want you here  
In my life

I, just wanna dance with you  
Take a chance with you  
Dance with you

I, I just wanna be with you  
I just want to have you here  
Be with you
