- I, I just wanna be with you
 I just wanna have you here
 Be with you
- I, I just wanna dance with you Take a chance with you Dance with you
- I, I just want to talk with you
 Just wanna walk with you
 Talk with you

Ahhhh Ahhhh Ahhhh

- I, just need to get you into my life
 I just want you here
 In my life
- I, just wanna dance with you Take a chance with you Dance with you
- I, I just wanna be with you
 I just want to have you here
 Be with you
