

I Don't Care

Roger Taylor

I don't care
If you shave your teeth
Eat your sheets

I don't care
If you crash my car
Break my guitar

I don't care
If your mama's green
You smoke in your sleep
Dance naked in the street

I don't care
If you grow a third eye
Act stupid or shy
I won't ask why

Hurts so bad
Feels like it could kill you
If love is blood
I got haemophilia
I don't care

'Cos all I want is you
I want you to want me too

I don't care
I just want you there
Baby I don't care

I don't care, hey
I don't care

I don't care
If you're drunk and loud
You jump and shout
Still make me proud

I don't care
If you make a scene
You shout and scream
Live that dream

I don't care
If you dress like a fool
I won't be cruel
When you ain't cool

I don't care
When you get the blues
Remember
Lay off my blue suede shoes

Hurts so bad
Feels like it could kill you
If love is blood

I got haemophilia
Baby I don't care

I don't care
Baby I don't care
I don't care
Baby I don't care
I don't care
Baby I don't care
I don't care
I don't care
