```
they're saying now it never happened
we gotta stop these stinking nazis
and they say that it didn't happen
what the nazis did to the jews
if they think they've a second coming
then we got different views
we gotta stop these stinking nazis
they say now it didn't happen
we gotta stop these stinking nazis
what the world needs is more nazis
like it needs a hole in the head
our future is not safe at all
til this disease is dead
we gotta stop these stinking nazis
they're saying now it never happened
we gotta stop these stinking nazis
```

yeah!
