

One Night Stand!

Roger Taylor

Politicians wanna be in the palace
Priests wanna be in the choir
Just got one simple need
My heart's desire

Boys and girls
Around the world
Get it on
When the feelings strong

I wanna one night stand
I wanna, I wanna, I wanna one night stand

Fun is king

Everyone
In the name of fun
I wanna one night stand
I wanna one night stand

Boys and girls
Around the world
I wanna one night stand
I wanna, I wanna, I wanna one night stand

I wanna one night stand
Hey

I wanna one night stand
I wanna one night stand
I wanna, I wanna, I wanna one night stand

What's wrong with a one night stand?
Wooh
Wooh
Just a one night stand
I wanna one night stand
