

# Say It's Not True

Roger Taylor

The harder we play  
The faster we fall  
When we think that we know it all  
We know nothing at all

The letter arrives  
Like a bolt from the blue  
So what's left of your lives  
All your dreams lost to you

Say it ain't true  
Say it today  
When I open my eyes  
Will it all go away

Say it's not true  
Say it's not real  
Can't be happening to you  
Can't be happening to me

It's hard not to cry  
It's hard to believe  
So much heartache and pain  
So much reason to grieve

With the wonders of science  
And all the knowledge we've stored  
Magic cocktails for lives  
People just can't afford

Say it's not true  
You can say it's not right  
It's hard to believe  
The size of the crime

Say it's not true  
You can say it's not real  
Can't be happening to you  
Could be happening to me

Say it's not true  
You can say it's not right  
So hard to believe  
The size of the crime

Say it's not true  
Say it's not real  
Can't be happening to you  
Could be happening to me
