

# Where Are You Now?

Roger Taylor

Don't have much education  
Not much anyhow  
Just believed in what they told me  
And oohee, look at me now

There must be more to life than this bum deal  
Some direction somehow  
Some kind of a reason  
Yeah, I wanna know

Tell me where are you now?  
Tell me where are you now?

Don't have much of religion  
Not much anyhow  
Don't have much to look up to  
We killed all your sacred cows  
Just trying to file flight plan  
Need some direction, need it now  
Some kind of a reason  
Yeah, I wanna know

Tell me where are you now?  
Tell me where are you now?

You don't have to be, you don't have to seem  
You don't have to scream, for any big deal (for yourself)  
You don't have to bleed, you don't have to believe  
You don't have to pretend to know what's right, or what's real

Tell me where are you now (we need you)?  
Where are you now?  
Tell me where are you now?  
Tell me where are you now (that we need you)?
