

Is There Anybody Out There

Roger Waters

"Well, only about an hour of daylight left."
"Better get started."
[Woman:] "Is it unsafe to travel at night?"
[Man1:] "It'll be a lot less safe to stay here."
"Your father's gonna pick up our trail before long."
[Woman:] "Can Loca ride?"
[Man2:] "Yeah, I can ride...."
[Man1:] "Margaret, time to go!"
"Ingred, thank you for everthing."
"Let's go."
[Woman:] "Goodbye, Chenga"
[Man3:] "Goodbye, miss..."

Is there anybody out there?
Is there anybody out there?
Is there anybody out there?
Is there anybody out there?
