

# Is There Anybody Out There

Roger Waters

"Well, only about an hour of daylight left."  
"Better get started."  
[Woman:] "Is it unsafe to travel at night?"  
[Man1:] "It'll be a lot less safe to stay here."  
"Your father's gonna pick up our trail before long."  
[Woman:] "Can Loca ride?"  
[Man2:] "Yeah, I can ride...."  
[Man1:] "Margaret, time to go!"  
"Ingred, thank you for everthing."  
"Let's go."  
[Woman:] "Goodbye, Chenga"  
[Man3:] "Goodbye, miss..."
