

Is There Anybody Out There

Roger Waters

"Well, only about an hour of daylight left."

"Better get started."

[Woman:] "Is it unsafe to travel at night?"

[Man1:] "It'll be a lot less safe to stay here."

"Your father's gonna pick up our trail before long."

[Woman:] "Can Loca ride?"

[Man2:] "Yeah, I can ride...."

[Man1:] "Margaret, time to go!"

"Ingred, thank you for everthing."

"Let's go."

[Woman:] "Goodbye, Chenga"

[Man3:] "Goodbye, miss..."

Is there anybody out there?

Is there anybody out there?

Is there anybody out there?

Is there anybody out there?
