

# Sunset Strip

Roger Waters

I like staying with my Uncle Dave  
And I like playing with his great dane  
But I don't fit  
I feel alien and strange  
Kinda outta range

I like riding in my Uncle's car  
Down to the beach where the pretty girls all parade  
And movie stars and paparazzi play  
The Charles Atlas kicking sand in the face game

And I sit in the canyon with my back to the sea  
There's a blood red dragon on a field of green  
Calling me back  
Back to the Black Hills again  
(Ooh, ooh, Billy come home)

Billy is searching for his native land  
Flicking through the stations with the dial in his head  
Picking up [background: static]  
And a male voice choir on the short wave band

Billy taps out Jim's number on the phone  
Sits shaking as he waits for Jim's answering tone  
Come on my friend, speak to me please  
The land of my fathers is calling to me

And I sit in the canyon with my back to the sea  
There's a blood red dragon on a field of green  
Calling me back  
Back to the Black Hills again  
(Ooh, ooh) Billy come home  
Come on home

He sits in the canyon with his back to the sea  
Sees a blood red dragon on a field of green  
He hears a male voice choir singing  
Billy come home  
(Billy, Billy, come home)  
Come on home

[Californian Weirdo:] "I don't like fish."  
[Californian Weirdo:] "I don't like fish."

[Jim:] "You are listening to KAOS here in Los Angeles."  
[Californian Weirdo:] "I don't like fish."  
[Jim:] "Yes, we've established that."  
Ah! Do you have a request?"  
[Californian Weirdo:] "Shell fish, guppy  
Shrimp and crab and lobster, flounder  
I hate fish, but I think most of all  
I hate fresh fish like trout  
I hate fresh trout  
My least-hated, favourite fish would be sole  
That way you don't have to see the eyes  
Sole has no eyes."  
[Jim:] "Oh no!"

[Woman:] "I'd like to be home with my monkey and my dog."  
[Jim:] "Thank you."  
[Woman:] "I'd like to be home with my monkey and my dog  
I'd like to be home with my monkey and my dog  
I'd like to be home with my monkey and my dog  
I'd like to be home with my monkey..."  
[Jim:] "I don't care. Shut up. Play the record."
