

Christmas Is Here Again

Roger Whittaker

Christmas is here again.
Stand up and cheer again.
Let's leave our heart aches and sorrows behind.

All that I want is to be here beside you.
All that I need is right here in my arms.
All that I want is to know that you love me
And this will be my finest Christmas time.

Holly and mistletoe, small faces all a glow.
Stockings for Santa to fill with his toys.
Bright shining Christmas trees,
Small people on their knees.
Tell Santa, they have been good girls and boys.

All that I want is to be here beside you.
All that I need is right here in my arms.
All that I want is to know that you love me
And this will be my finest Christmas time.

Grownups in paper hats, turkey in Bradley snaps,
Chestnuts to roast in the coals of a fire.
The joy of giving things - the blessings Christmas brings.
Just to be near you is all I desire.

All that I want is to be here beside you.
All that I need is right here in my arms.
All that I want is to know that you love me
And this will be my finest Christmas time.

All that I want is to be here beside you.
All that I need is right here in my arms.
All that I want is to know that you love me
And this will be my finest Christmas time.
