

# I Will Always Love You

Roger Whittaker

If I should stay  
Well, I would only be in your way  
And so I'll go, but yet I know  
That I'll think of you each step of my way  
And I will always love you  
I will always love you  
Bitter-sweet memories

That's all I have, and all I'm taking with me  
Good-bye, oh, please don't cry  
Cause we both know that I'm not  
What you need

I will always love you  
I will always love you

And I hope life, will treat you kind  
And I hope that you have all  
That you ever dreamed of  
Oh, I do wish you joy  
And I wish you happiness  
But above all this  
I wish you love  
I love you, I will always love

I, I will always, always love you  
I will always love you  
I will always love you  
I will always love you
