

New World In The Morning

Roger Whittaker

Everybody talks about a new world in the morning.
A new world in the morning so they say.
I, myself don't talk about a new world in the morning.
A new world in the morning, that's today.

And I can feel a new tomorrow comin' on.
And I don't know why I have to make a song.
Everybody talks a bout a new world in the morning.
New world in the morning takes so long.

I met a man who had a dream he had since he was twenty.
I met that man when he was eighty-one.
He said too many people just stand and wait up til the
mornin',
Don't they know tomorrow never comes.

And he would feel a new tomorrow coming on.
And when he'd smile his eyes would twinkle up in thought.
Everybody talks about a new world in the morning.
New world in the morning never comes.

And I can feel a new tomorrow coming on.
And I don't know why I have to make a song.
Everybody talks about a new world in the morning.
New world in the morning takes so long.
