

## River Lady

Roger Whittaker

The day the river freezes is the day it won't seem fair  
Cause they'll come to get the river lady  
And I don't think they'll care

I know they'll scrape her paint off  
In their same old foolish ways

Now the people see the river  
But the old ship's gone away  
Water turns cold and gets to freezing  
Before you even know it the old girl's easing  
Away from her berth round by the point and out of our view  
Off in the mist her engines pounding  
Back on the banks that old horn's sounding  
A little good-bye  
A little I'll do what I must do  
A little good-bye  
A little I'll do what I must do

I know I will remember when I cannot hear that horn  
That would roll up by the mountains  
As she took us through the storm  
I know they've got to take her  
But I can't say I approve  
Cause she's won so many battles  
That I hate to see her lose

Water turns cold and gets to freezing  
Before you even know it the old girl's easing  
Away from her berth round by the point and out of our view  
Off in the mist her engines pounding  
Back on the banks that old horn's sounding  
A little good-bye  
A little I'll do what I must do  
A little good-bye  
A little I'll do what I must do

Water turns cold and gets to freezing
