

## Better In The Dark

Rogue Traders

I don't know your name  
But I'll kiss you just the same  
Holding hands, that's a start  
Cos' you'd look better in the dark

So turn the lights down, turn them down  
So turn the lights down, turn them down  
Won't you come and spend some time with me?

Come on boy there's no shame  
Cos' I know how to play the game  
First a drink then a laugh  
Cos' I'd look better in the dark

So turn the lights down, turn them down  
So turn the lights down, turn them down  
Won't you come and spend some time with me?

Come on boy there's no shame  
Cos' I know how to play the game  
First a drink then a laugh  
Cos' I'd look better in the dark

So turn the lights down, turn them down  
So turn the lights down, turn them down  
Won't you come and spend some time with me?

You look better  
I look better  
They look better  
We all look better in the dark
