

Casting Aside

Rogue Traders

Is there someone I can talk to?
Can you see the grass beneath you?
And is your world in perfect motion?
Do I cast fear on your conscience?

I used to be strong
But I can't get back to my beginning
I've been here too long
And the years have stolen what I've lived for

Do you feel love?
Or is this just the way it's suppose to be
Grace from above sees both our destinies
Inside you and me

There's no surprise
Kings and aces
Cause I have fallen
From high places
And you don't know the
The way you touch me
I need one moment
To say you love me

Inside you and me, inside you and me
It's inside you and me?
