Casting Aside

Rogue Traders

Is there someone I can talk to? Can you see the grass beneath you? And is your world in perfect motion? Do I cast fear on your conscience?

I used to be strong But I can't get back to my beginning I've been here too long And the years have stolen what I've lived for

Do you feel love? Or is this just the way it's suppose to be Grace from above sees both our destinies Inside you and me

There's no surprise Kings and aces Cause I have fallen From high places And you don't know the The way you touch me I need one moment To say you love me

Inside you and me, inside you and me
It's inside you and me?
