

# On Your Way To The Disco

Rogue Traders

Think of me on your way to the disco  
Come on baby, we've come so far  
Count to three on your way to the disco  
It might be better not to play that card

Dance with me, yes you can if you feel low  
It's better if you don't do it alone  
So think of me on your way to the disco  
On your way to the disco

Think of me on your way to the disco  
Come on baby, we've come so far  
Count to three on your way to the disco

Dance with me, yes you can if you feel low  
It's better if you don't do it alone  
So think of me on your way to the disco  
On your way to the disco

Honey Honey Honey  
Don't you think it's funny?  
People think I'm crazy - they know nothing at all!  
Yes I've learnt a lesson  
Music is a weapon  
Anything can happen under a mirrorball

Yes Yes Yes!  
Yes Yes Yes!

So sweet baby,  
I won't get left behind  
There's nothing in this world I'd rather do  
Than take your hand in mine

On your way to the disco
