

On Your Way To The Disco

Rogue Traders

Think of me on your way to the disco
Come on baby, we've come so far
Count to three on your way to the disco
It might be better not to play that card

Dance with me, yes you can if you feel low
It's better if you don't do it alone
So think of me on your way to the disco
On your way to the disco

Think of me on your way to the disco
Come on baby, we've come so far
Count to three on your way to the disco
It might be better not to play that card

Dance with me, yes you can if you feel low
It's better if you don't do it alone
So think of me on your way to the disco
On your way to the disco

Honey Honey Honey
Don't you think it's funny?
People think I'm crazy - they know nothing at all!
Yes I've learnt a lesson
Music is a weapon
Anything can happen under a mirrorball

Yes Yes Yes!
Yes Yes Yes!

So sweet baby,
I won't get left behind
There's nothing in this world I'd rather do
Than take your hand in mine

On your way to the disco

Honey Honey Honey
Don't you think it's funny?
People think I'm crazy - they know nothing at all!
Yes I've learnt a lesson
Music is a weapon
Anything can happen under a mirrorball

On your way to the disco
