## On Your Way To The Disco

## **Rogue Traders**

Think of me on your way to the disco Come on baby, we've come so far Count to three on your way to the disco It might be better not to play that card

Dance with me, yes you can if you feel low It's better if you don't do it alone So think of me on your way to the disco On your way to the disco

Honey Honey
Don't you think it's funny?
People think I'm crazy - they know nothing at all!
Yes I've learnt a lesson
Music is a weapon
Anything can happen under a mirrorball

Yes Yes Yes! Yes Yes Yes!

So sweet baby, I won't get left behind There's nothing in this world I'd rather do Than take your hand in mine

On your way to the disco
